

Prayer Walking Your Home with Your Children

Prayer walking your home with your children is the perfect and practical way to invite God's blessing, peace, and love into the spaces you live, in the laugh, cry, and the share your hearts, hurts, dreams and love. It becomes an adventure where your kids get to participate in seeking God's best for their home, as everyone prays. It is here that children learn to value the power of prayer and begin to be aware of how God is at work in their lives.

For families, prayer walking helps children make connections between their faith, their feelings, and their everyday surroundings.

Before you begin, gather your family and explain what you'll be doing.

- Choose a special time—a time when you are not rushed.
- Let each child know that their voices and ideas are welcome.
- Decide on a route through your home so you can visit every room and even walk around the outside of your home

As you enter each room, pause together. Take time to look around the room and think about the things that happen in that room. Then, take turns offering short, simple prayers out loud. Below are examples of what you might wish to pray.

- Thank you for the times we spend together in this room.
- Let this room be filled with joy, kindness, and laughter.
- Help us to always listen to each other and share good stories.
