Bible Truth Activity:

Game: Chain of Love

Object of the game:

Kids will see how love can spread from person to person.

Materials:

- Strips of colored paper
- Tape or staples

Directions:

Give each child several paper strips.

On each strip, help children write or draw ways to show love:

- help someone
- pray for others
- obey parents
- encourage friends
- share toys

Connect the strips together to make one long paper chain.

When activity is over say:

Every act of love can spread to someone else.

1 John 4:19 says:

“We love because he first loved us.”

God’s love changes us and helps us share love with others.

Ask:

- How has someone shown love to you?
- What is one loving thing you can do this week?

(Allow responses.)

Say:

God’s love is powerful and never ends.

Bible Verse Activity – Missing Word Challenge

Write the verse on a board.

Cover one word at a time with sticky notes while children repeat the verse.
