HOW ARE YOU DOING?

STRONGER CHURCHES NETWORK
A TBMB MINISTRY

An assessment tool never tells the whole story, but it can provide key insights.

Both the Stronger Church Wheel Pastor Assessment and Congregational Assessment give you the opportunity to answer 37 questions.

Once you complete the assessment, you will receive immediate feedback.

If you're a pastor, you can assess how you're doing with the **Pastor Assessment** here:

To assess how your church is doing, take the **Congregational Assessment** here:
